DU-HA®

2004 – 2015 Nissan Titan King Cab & Crew Cab *and*
2017 – 2024 Nissan Titan King Cab & Crew Cab
Underseat Storage

Fits DU-HA Part Numbers
40011
40012

Installation Instructions:

1 Flip up the bottoms of the back seats.

2 Thread nylon straps through the seat belt loops under the back seats, by sliding straps through the backside of seat belt loops, so the buckles end up on top.

3 Place the DU-HA under the back seats with the high side forward.

4 Thread nylon straps through the slots in the back of the DU-HA.

5 Loop each strap together by threading up through the bottom of the back slot of the buckle and down through the front slot of the buckle. Tighten as pictured. The nylon straps help secure the DU-HA in the truck.

6 Install the dividers in the DU-HA by sliding them into the channel slots in the DU-HA. Install the foam organizer/gun racks with the plastic stiffeners by sliding them into the pre-cut slots in the dividers (as pictured below).

Safety Instructions:

Warning: Seat must be down at all times while vehicle is moving.

Note: Seat does not latch down it only latches in the up position.
Make sure DU-HA is secured according to the installation instructions.
Do not store explosives or hazardous materials in the DU-HA. Do not place loaded guns in the DU-HA.

For further instructions refer to truck owners manual or contact DU-HA, Inc.

Notes:
For use in the 2017-2022 Crew Cab, if you have the factory storage tray you will need to remove it. Also note, the DU-HA does jog inward in the middle to accommodate the King Cab so when used in the Crew Cab there is a gap in front in the middle since

Part	Part Number	Description	Qty
A	--	DU-HA Storage Unit	1
B	Divider-40011	Divider	2
C	Divider-40011	Foam Organizer / Gun Rack	2
D	Divider-40011	Plastic Stiffener	4
E	1001217	Nylon Strap with Buckle	2

Ribs on buckle should face up. Thread strap through buckle as shown.

This is how the DU-HA should look installed under the back seat.
